Dear Zoe,

**Project No 18-103-010: Unit 2 Newsprint Avenue, Aylesford**

To the best of our knowledge, we can confirm that no deleterious materials are included in the works and that the works relevant to their appointment are compliant with the contract requirements and Building Regulation requirements.

We also note that as far as we are aware and on reviewing information provided by Winvic Construction Ltd, the external building envelope complies with the requirements of the project specification and incorporates details as necessary to achieve weatherproofing and air permeability standards to comply with Building Regulation requirements. Separate certification demonstrating this is to be provided by Winvic Construction Ltd.

We are unaware of residual hazards that a competent contractor will not be able to identify in Health & Safety documentation provided and by a physical assessment in undertaking future maintenance works.

Yours sincerely,

Arshad Khan  
Studio Director
